Dear Fellow Numismatist:

Thank you for your request for National Coin Week supplies. These are already in the mails under separate cover. If you have not already received them, you should within a very few days.

We do not know if you are a member of The Imperial Beach Coin Club or not, but we have had an indication from them that they plan to participate in NCW. Should you be a member, we would like to call your attention to the fact that activities may not be counted for more than one entry. We sincerely hope that you both will participate in Coin Week, and your individual entry will be very welcome.

If you need more of the forms or have questions, please don't hesitate to let us know. Best wishes for a very successful campaign.

Sincerely yours,

Rick & Virginia Bronson
